Tarot has been a compass in my life and now I offer the same guidance. My readings are meant to be an intuitive exploration of your situation. I provide insights, affirmations, and potential outcomes of the future.

Our reading will be confidential. You may choose to stop the reading at any time, for any reason. You are welcome to engage in conversation or listen to the interpretations I offer during the session.

Policies:

Once payment is submitted, the reading will be considered nonrefundable. You will receive a Zoom link within 24 hours of your scheduled time.

If you need to reschedule, please email me with a 24-hour notice at sadgirlhoroscope@gmail.com. No shows without notice will be canceled and there will be no refund.

I have the right to cancel a reading at any time, before or during the reading if I feel uncomfortable due to offensive language or inappropriate behavior.
